Theology

Jesus as the ultimate role model for Christians and others. Jesus showed all these qualities in his life on earth, as part of God's greatest act of love - God so loved the world that he gave his only Son, as a sacrifice for the sins of all humankind, that all might be saved and have eternal life, through faith in Christ as a personal saviour, and the work of the Holy Spirit be enabled to show the same love to others. Jesus was known by his disciples and others that met him while he was on earth, for consistently showing unconditional love

Jesus lived a life of unconditional love towards people— giving every day during his life on earth to teaching people how to love one another, by setting an example for people to follow.
