'The Life of Christ' at Wintershall
Tuesday 23rd June – Saturday 27th June 2020

We have been advised that your Company is providing transport for a school group coming to our play this year. We wanted to write and let you know that each day we have up to 25 coaches plus approximately 400 cars arriving between 9am and 9.40am, for a 10am start, in a rather confined area.

As the last half mile of the approach road is only one vehicle wide, a **one-way system** has been devised to which we ask you to strictly adhere please.

On arrival marshals will direct you to drive onto a hard-grassed field or in wet weather on to the hard standing which will be well sign posted. There are toilet facilities onsite as well as refreshments available above the main car park for you to use during your visit.

If you need to leave the site in the morning, or your school has only booked a half day trip, the traffic marshals can arrange a reverse one-way system after 10.30a.m. Priority is given to incoming coaches, so please adhere to the traffic marshal's directions. **All coaches returning for collection must then be back on site by 3p.m. at the latest, to avoid coaches clashing with vehicles that are exiting the estate.** You will not be allowed access on to the site after this time, until all other vehicles have left.

Each coach **must have the group/school name clearly visible in the window**, for identification by Education Guides and returning passengers. This will ensure a prompt exit from the coach park on completion of the play.

I regret that no coaches are allowed up the main drive in view of the cattle grids.

SATNAV will often direct you down inaccessible private roads, so please have a look on our [website](#) for directions if you haven't visited us before.

We look forward to welcoming you and your group.

Yours faithfully,

Lucy Hall
